

DIRECTOR OF MISSION INTEGRATION

St. Anthony's Medical Center, a Catholic hospital in the Franciscan tradition, located in St. Louis seeks a Director of Mission Integration. The applicant must be a team leader who will develop, promote and assess organizational mission effectiveness to ensure that goals, objectives and decisions are consistent with St. Anthony's values. Qualified candidates will have an advanced degree in organizational psychology or leadership, spirituality and/or a similar field; 3 + years' experience in Catholic organizational leadership, preferably healthcare; and strong administrative and program development skills. Candidates with a religious vocation are preferred. To learn more visit: www.stanthonys.jobs or call 314-525-1010 or 1-800-525-1718.
