Considering Time Away As A Team

Marywood Franciscan Spirituality Center is providing an opportunity for congregational leadership teams to spend time away together. Marywood staff, Sisters Marla Lang, FSPA and Kathy Lentsch, OSF will be available to help facilitate process times:

- team dialogue and solitary time
- one-on-one conversations
- invitations and challenges facing leadership

The experience will benefit new teams, teams in mid-term or teams concluding ministry together. This time is also appropriate for teams at critical junctures or in transition. The time together will be adjusted to fit the need of a particular team.

Marywood has a magnificent view as our four cabins sit right on Trout Lake in Arbor Vitae (Northern WI.) Cabins are complete with:

- Fireplace and wood -Gas heat - Bedding and linens
- Fully equipped kitchen -Microwave oven -Gas range and refrigerator.

Part of the bonding experience and enjoyment are teams sharing a cabin, purchasing and preparing their own meals.

Dates Available in 2009: March 23-26; April 5-8; May 3-6

We ask that you register for these dates at least three weeks previous. Other times can be negotiated depending on the availability of staff and cabins. Individual Reiki and Massage can be pre-arranged.
